1. In January 1954, Plant No. 135 of Autorenova, National Enterprise, in Kosmonosy, Mlada Boleslav, was producing spare parts for cars and trucks. These spares and engines were used as replacement parts for vehicles delivered to Czechoslovakia after 1945. 25X1
2. Constructional and technical details for production were obtained by copying the original engines and by analysis of the materials. All products were made with inch measurements, in spite of the general use of the metric system in Czechoslovakia. 25X1
